

# SAVE 20% WITH COMMUNITY SHARED SOLAR

Exclusively for low and moderate  
income NYSEG Customers \*

NEST Partners with Citizen's  
Energy for Community Solar in the  
Town of Dickinson

## What is Community Shared Solar?

Community Shared Solar allows you to subscribe to solar without installation. Your energy will be sourced from an off-site solar farm in the Town of Dickinson. You will support the solar developer with your NYSEG payment and in return, receive a 20% annual discount on your electric bill.

## BENEFITS OF PARTICIPATING

1

### 20% Annual Discount on Electric Bil

Solar energy is cheaper to produce and the discount is passed to you. Over a year, you will see a 20% deduction on your NYSEG electric bill.

2

### Create Local Good Green Jobs

This project supports our clean energy economy by hiring local union workers and creating jobs in the industry.

3

### Energy Independence and Hassle-Free Billing

Benefit from solar power without installation. Reduce your carbon footprint and your energy costs with no new bills.

# SIGN-UP FOR COMMUNITY SHARED SOLAR

## \*QUALIFICATIONS

- Must be a self-paying NYSEG customer (homeowner or renter), and:
  - Self attestation of Low-to-Moderate Income household
    - Income under 80% of the Area Median Income (see guidelines provided), or
  - TANF, HEAP, or SNAP eligible, or
  - Geo-eligibility
    - If your address is located within a geographically-eligible territory, they will automatically be deemed eligible

## How to Get Started

1

### Save Your Spot Now!

Shares are limited and are available on a first come, first serve basis.

2

### We'll Keep You Updated

Provide your email address and we will keep you updated on the status of Broome County's newest solar farm.

3

### Get Enrolled

Once financing is in place, construction will begin and the solar developer will contact you for official enrollment. Income verification will be completed at this point. There will be no fee to join or leave the project.
